Indian Dairy Association (South Zone) & KoelnmesseYA Tradefair Pvt. Ltd. invite you to be a part of 46th Dairy Industry Conference (DIC) & International trade fair on dairy farming, processing, packaging, distribution & products scheduled during February 8-10, 2018 at Adlux International Convention & Exhibition Centre, Angamaly, Kochi, Kerala, India.

46th Dairy Industry Conference and the concurrent trade fair will ensure the presence of who's who of the dairy industry not only from India but also from abroad. This platform will offer an opportunity to interact with the decision makers of the dairy industry.

Few Statistics of Indian Dairy Industry

- The annual milk production is 146 million metric tonnes.
- The total cattle population is more than 200 million and buffalo population is around 105 million.
- Veterinary medicine & Biological market size is around USD 3.5 billion.
- The domestic dairy industry is expected to touch milk output of 200 million tonnes and a turnover of USD 100 billion by 2016.
- The per capita milk availability is 302 gm per day.
- The dairy machinery and equipment market size is more than USD 200 million.
- Indian Dairy Industry currently pegged USD 70 billion & is expected to double by 2020.
- India shares 20% of the total world milk production.

Dairy Industry - offering seamless business opportunities

India - world's largest producer of milk, accounting for around 20% of world's total milk production, is also the world's largest consumer of dairy products.

The factors like

- Dairy Industry is contributing 22% of agricultural GDP and is expected to grow Compounded Annual Growth Rate (CAGR) of over 15%.
- Increasing population (currently over 1.3 billion).
- Health conscious society.
- Increasing demand for pro-biotic & nutritional drinks.
- Milk & milk products are the integral part of India food.
- Increase in the consumption of milk based products like ice-creams, cheese, sweets, etc.

clearly indicate on the tremendous business opportunities in the dairy industry.

46th Dairy Industry Conference

The Indian Dairy Association (IDA) was established in 1948 with the objective to create a platform for dairy professionals, scientists, farmers, equipment manufacturers and service providers in order to provide them an opportunity for dissemination of knowledge and ideas and to promote the interest of dairying at national and international level by organizing seminars, symposia and trade fairs on a wide range of topics catering to the needs of various steams of dairy industry.

In line with the objectives, IDA has been organising Annual Dairy Industry Conference. The 46th Dairy Industry Conference is being organized by the Indian Dairy Association (South Zone) from February 8-10, 2018 at Adlux International Convention & Exhibition Centre, Angamaly, Kochi, Kerala, India. This conference is expected to attract over 1500 delegates from India and abroad to listen and share their knowledge of new technologies and their experiences for the development of the dairy industry.
